November 15th -6:30(soccer video at 6:15) Athletic Awards

Soccer, Volleyball, and Golf athletes will be recognized by their coaches—this event will be held in the sanctuary—Please try to attend to support your student.

Appreciation

I would like to thank all those who were involved in coaching this past fall in all sports. Your caring, positive, and respectful attitude at the practices and games is an excellent testimony for our school families. Again, thank you for all your time and the encouragement you gave to our CCS athletes.

CCS Holiday Bazaar

The PTSF is planning their third annual Holiday Bazaar Saturday, November 19th, at The Vineyard Christian Fellowship Church, 9:00 a.m. to 2:00 p.m. The silent auction bidding **ends** at 1:00 p.m.

Still needed are vendors, concession helpers, and bake sale donations. A brand new pop-up camper will be auctioned along with other items. Please call Brenda Berry, Roxy Wilt, or the school office. The bazaar is to benefit all families of CCS.

8th grade D.C. Information

The 8th grade parents will be meeting on the 2nd Thursday of every month. The next meeting will be December 8th at 3:30 in the fellowship hall. All parents of 8th graders are urged to attend. Raising funds for the Washington DC trip will be discussed.

Parents of Sixth, Seventh, and Eighth Grade Students

On Friday, November 18th, the Middle School Band members will be attending the Ohio State University Band practice. We will be leaving school after lunch and should arrive back at the school around 8:30p.m.

Parent-Teacher Conferences

We extend our appreciation to all who were able to attend the 2011 Fall Parent-Teacher conferences. Approximately 65% of our families were able to attend. If you were unable to attend and would like to have a conference with a staff member, you may still call the office for an appointment. Parents, teachers, and students working together are major reasons why CCS has an excellent spiritual, social, emotional, and intellectual culture.

Picture Retakes

Picture retake day is November 22nd. If you would like to have your child's picture retaken, please return their original package. There cannot be any pictures cut or there would need be a charge for a new package.

MS Health Classes

Mr. David Wilt, a certified Psychiatric RN, will be teaming with Mr. Hyde for the remainder of this semester in the health classes. Discussion will be basic concepts of mental and emotional health issues such as; living a balanced life, how to deal with emotions, types of mental disorders, temptations our youth are exposed to, and seeking help when needed. The foundation of this course is built on the reality of how a proper relationship with God is crucial for mental and emotional well being.

FCA-Fellowship of Christian Athletes Service Projects

The pajama program in October was a huge success. Our students and parents gathered 75 pair of pajamas for those who are in need of these items. Our school collected the most in Logan County and the pajamas will be distributed by the different agencies of Logan County.

Other service projects the FCA will begin is a food drive and the decoration of the Christmas tree with winter items. Grades 4-8 will be participating in the food drive starting Monday, November 14 through Dec. 12th. Students in grades K4-3rd grade will be decorating the tree in the foyer with mittens, gloves, scarves, and toboggans for those in need.

Again, these are service projects that we feel are important for students learning to give back to their community.

Faith challenge for 2011-2012

The Faith Challenge has decreased to around \$50,000. Again this is money that must be provided beyond the tuition payments. We know the Lord will provide and we ask that you place it on your prayer list.

Christmas Concert

The annual Christmas Concert will be held December 16th, 7:00 p.m. in the sanctuary for grades k5-8. This will feature selections sung by three different choirs, two bands, and assorted soloists and small ensembles. Come and enjoy an evening of Christmas music with our CCS students.

Have you ever thought about it? We have tens of thousands of schools that have been built by men in our country, but how many of those schools are similar to a school that God would design?

Have a Great Week-end,

Mr. Green
