### **Thought of Week**

**Question**—Will I be sheltering my student from the “real world” if I send them to CCS?

**Answer**-The difference between CCS and the public school is that CCS brings the Word of God to every situation in the lives of children. CCS applies the Word of God to every instance of sinful thought or action, and by God’s grace, renews the mind of the child. The goal of CCS is produce adults that have been trained unto godly living and thinking in a world full of temptations and their own weaknesses as a fallen human being.

*HAVE A GREAT WEEK,*

*MR. GREEN*
