FAITH CHALLENGE FOR 2011-2012

The Faith Challenge has decreased to \$ 57,000. We know the Lord will provide and we ask that you place it on your prayer list.

ENGRADE

Engrade is a new computer system we are using this year for attendance, interim reports, and grade cards. Your student brought home a paper on how to get on this system, and as a parent you can view the grades of your student in each subject area. We encourage you to use this as a tool to keep in touch with the staff. If you have any questions please contact gshellhammer@calvarybellefontaine.org.

INTERIM REPORTS

These reports will be sent home on September 29th. Students will be required to have their parent's signature on these reports and must be brought back to their home room teacher.
