HIGH SCHOOL INFORMATION

As Administrator I have begun to formulate a possible curriculum offering for next year. We must offer the Ohio Core Standard involving English, Science, Math, Social Studies, along with CCS Bible requirement. All will follow a college prep track. We will also be looking to add electives to maintain a high standard of excellence in the curriculum.

If you know of someone outside our CCS family that may have some interest in our High School please feel free to contact me at school. I will also be interviewing CCS families giving them an opportunity to ask questions, concerning the possibility of their student attending CCS High School.

WORD OF THE WEEK-ACCEPTANCE-JAMES 2:1
