

Teaching the Mind...
Touching the Heart...
Reaching the World

Educating our youth
since 1979

It is our God given responsibility to raise and train our children in the best way possible. The greatest knowledge that we have to pass on is the knowledge of the Lord. I believe with all my heart and mind that they receive this at Calvary Christian School along with academic excellence in a loving environment. Our children are being taught a Biblical worldview... I believe Calvary Christian School is challenging our students to make a difference in the world! - Roxy Wilt

According to Psalm 1:1-3, we must not allow our children to stand, sit, or counsel with those who deny biblical truth and morality. Instead we must place them in situations that will aid them in meditating on the law of the Lord day and night. CCS is just that place. - Jon Wish

At CCS there is a high expectation on academics, athletics, behavior and simply becoming a better person. This is accomplished due to the fact that all things are God centered. When God is our focus - we can't go wrong. - Dave Durnell

Want to raise your child with God in mind?

Why Calvary Christian HS?

- Education with a solid Christian world view
- College-preparatory program that meets and exceeds the State of Ohio core graduation requirements for 2010-2011.
- State-of-the-Art Lab facilities for Chemistry/Physics/Microbiology
- Integrated Computer Technology with a 3 student to 1 computer ratio.
- Stanford Achievement Tests consistently score 20 percentile points above the National averages in all core subjects.
- Calvary Christian High School will offer Chapel Band, Audio/Video Production, Student Council, Fellowship of Christian Athletes and CCHS Honor Society. If there is sufficient interest, other academic clubs could be offered as science, math, debate or art.
- Sports: soccer, volleyball, basketball and golf

Any school can provide classes

Calvary Christian High School Provides an Education.

Teaching the Mind...

Students at Calvary Christian School will be provided with a college-preparatory education by allowing our students the opportunity to begin to understand themselves and the world around them from a Christian world view. The school will offer boys and girls rigorous academic instruction, challenging athletic and recreational activities, and creative expression in the fine arts both in a traditional classroom setting as well as online distance learning.

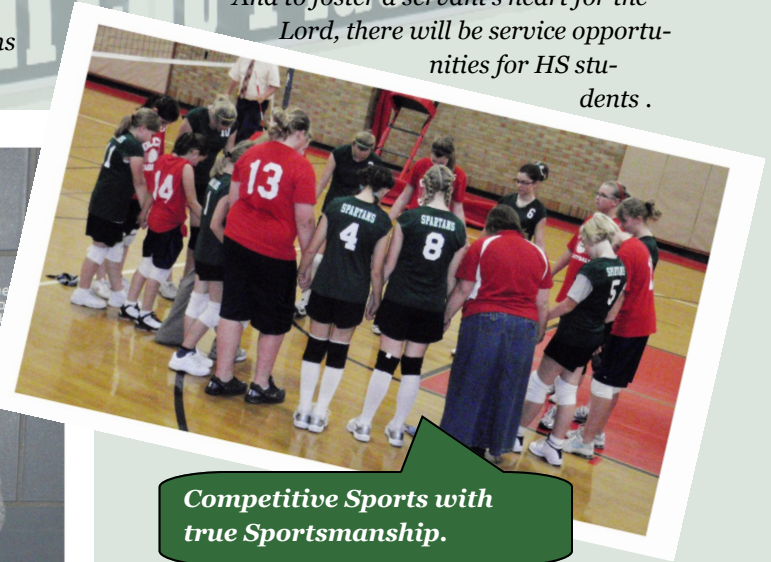

Touching the Heart...

Calvary Christian School, a ministry of Calvary Baptist Church, exists primarily to assist parents in fulfilling their divine responsibility to train thoroughly each child to obey God in every area of life. This will be accomplished by providing a program of learning experiences to guide the individual student in understanding, appreciating, and relating the truth of God as revealed in His Word, the Bible, and His world, the realms of nature and man.

Reaching the World

CCHS offers Christ-centered Bible classes and cutting-edge curriculum connecting in-class and online students with caring, Christian teachers. Blended classes unite full-time in-house students and full-time/part-time home-schooled students from across our local counties with other Christian and missionary students throughout the world. And to foster a servant's heart for the Lord, there will be service opportunities for HS students.

Real Laboratory Experience using State-of-the-Art Equipment

Competitive Sports with true Sportsmanship.
