## Introduction

Our goal at Calvary Christian is to provide our students an atmosphere and curriculum that are centered around God's truths and we want to share that with our community. Calvary is an accredited educational institution with the Ohio Department of Education and the goal of this partnership program is to make our courses available so homeschool families can take part as they see fit. This handbook will contain program policies and a course list of available options. Thank you and go Spartans!

## Program Policies

- Homeschool students may be enrolled in up to three courses at any given time.
- Homeschool students will need to enroll through our online admissions process (\$125 new student application fee) and will be expected to follow all Calvary rules and policies. The online application can be found under the admission tab at [www.ccsspartans.com](http://www.ccsspartans.com).
- High school students wishing to *participate in athletics* must take one CORE (History, Math, English, Science) course at our physical location to be eligible for OHSAA athletics. Homeschool students must finish the academic courses they are enrolled in; if the course is not completed, they may be deemed ineligible for future athletics.
- K-8 home school students are not eligible for drama activities unless enrolled in an academic class.
- 9-12<sup>th</sup> grade drama is an extracurricular activity and home school students may participate for a fee.
- Homeschool students will schedule with the CCS guidance counselor after full-time students have completed scheduling.
