Introduction

Our goal at Calvary Christian is to provide our students an atmosphere and curriculum that is centered around God's truths, and we want to share that with our community. Calvary is an accredited educational institution with the Ohio Department of Education, and the goal of this partnership program is to make our courses available so homeschool families can take part as they see fit. This handbook will contain program policies and a course list of available options. Thank you and go Spartans!

Ryan Hyde
Head of School

Program Policies

- Homeschool students may be enrolled in up to three courses at any given time.
- Homeschool students will need to enroll through our online admissions process (\$125 new student application fee) and will be expected to follow all Calvary rules and policies. The online application can be found under the admission tab at www.ccsspartans.com.
- High school students wishing to *participate in athletics* must take one course at our physical location to be eligible for OHSAA athletics. Homeschool students must finish the academic courses they are enrolled in; if the course is not completed, they may be deemed ineligible for future athletics.
- Junior High Students in grades 7th – 8th that are homeschooled, must be enrolled in a CCS class in order to participate in athletics.
- K-8 home school students are not eligible for drama activities unless enrolled in an academic class.
- 9-12th grade drama is an extracurricular activity and homeschool students may participate for a fee and must be enrolled in a class at CCS.
- Homeschool students will schedule with the CCS guidance counselor after full-time students have completed scheduling.

Program Selection & Cost

All Year/ One Class a Week Course List: \$300

- K5 Music
- K5 Technology
- K5 Art

One Day a Week (two times a month) \$300:

The course for high school students will be held one day a week every other week during the last period of the day. The course for junior high students will be held one day a week every other week, not on the same day as the high school course, during the last period of the day. This course will have assignments to complete during the week not on campus.

PACL – Physical Activity and the Christian Life

A wellness course integrating physical fitness, nutrition, stress management, and healthy lifestyle practices with a biblical worldview. The course emphasizes stewardship of the body, development of lifelong fitness habits, cardiovascular and muscular health, nutrition principles, and personal wellness planning through both classroom instruction and required physical activity participation.

Program Selection & Cost

All Year/Everyday Class Course List: \$1,200 (these classes are held each day that school is in session) (*H=Honors, CP=College Prep*)
